UNIVERSITY OF SOUTH FLORIDA 2016-2017 UNDERGRADUATE CATALOG

---

Undergraduates seeking entrance to limited access degree programs must meet special program requirements in addition to requirements for admission to the University. While many limited access programs admit students only at the junior level, some programs admit students for the freshman or sophomore years. The admission criteria and procedures for limited access programs at USF furnish equal access to A.A. degree holders from Florida public colleges, transfers from other SUS institutions and USF students of equivalent status. Transfer applicants with 60 or more transferable semester hours who are seeking admission to limited access programs must meet the grade point average requirement specified by the program to be eligible for admission to USF. Transfer applicants with 30 to 59 transferable semester hours who are seeking admission to certain limited access programs such as Nursing may be required to meet a higher transfer grade point average requirement that would allow eventual admission to those particular degree programs.

USF, with approval of the Board of Governors and the Articulation Coordinating Committee, has established the following undergraduate programs as limited access: *Mass Communications* in the College of Arts and Sciences; *Social Work* in the College of Behavioral and Community Sciences; *all degree programs* in the College of Business; *Exercise Science and Physical Education* in the College of Education; *all degree programs* in the College of Nursing; and the *B.F.A. and B.A. in Dance* in the College of the Arts. The admissions requirements for these degree programs may be found with other program information in appropriate sections of this catalog.
