

MEDICAL AMNESTY (STUDENT REPORTING)

UNIVERSITY OF SOUTH FLORIDA 2016-2017 UNDERGRADUATE CATALOG

[USF System Policy 30-004](#)

The University of South Florida System (USF System) supports an inclusive learning environment that promotes the health and safety of all members of the University community.

This Amnesty Policy seeks to diminish fear of University-imposed disciplinary and/or conduct sanctions in emergency situations due to alcohol and/or other drug use or misuse.

Any student who qualifies for amnesty under this policy will not be charged with violations of any of the University System Student Codes of Conduct as those Codes relate to consumption and/or use of alcohol and/or drugs. Under this Policy, students who seek or receive emergency medical assistance for themselves or students who seek assistance for another student experiencing an emergency related to the consumption of alcohol and/or other drug use or misuse may qualify for amnesty. Although students who qualify for amnesty may be exempt from the Student Conduct process, they may be required to complete educational measures and pay for any incurred cost associated with those requirements.
