

# READMISSION (FORMER STUDENTS RETURNING)

---

UNIVERSITY OF SOUTH FLORIDA 2016-2017 UNDERGRADUATE CATALOG

---

A former student returning (FSR) is any degree-seeking undergraduate student who has not earned his/her degree, who has not been enrolled at USF in any of the last three terms, and who wishes to re-enroll in the University. In order to be considered for readmission, a former student should file a new application for admission with the Office of Undergraduate Admissions at least 20 business days prior to the start of classes for the term of requested re-entry. A new \$30 application fee is required. (Former College of Education majors must contact the College of Education Advising Office for additional readmission requirements.)

The residency declaration must be completed and residency status will be reassessed.

To be readmitted, a student must meet the following requirements:

1. Have a USF GPA of at least 2.00. Former students returning with a USF GPA below 2.00 may only return to USF under Academic Renewal I or II.
2. Be in good standing and eligible to return to the last institution attended as a degree-seeking student; and
3. Have achieved a GPA of at least 2.0 as calculated by USF on a 4.0 scale on all college-level academic courses attempted at institution(s) attended since last enrolled at USF, and meet the minimum GPA for the declared major.
4. If previously enrolled at USF and academically dismissed at the end of the last term of enrollment, a student must file an ARC (Academic Regulations Committee) petition for Academic Renewal I or II in conjunction with the application for readmission.

Students who have attended one or more institutions since their last enrollment must request that official transcripts of all work attempted at the other institution(s) be sent to the USF Office of Undergraduate Admissions. Acceptability of transfer credits toward completion of USF degree programs will be determined by the college of the student's major.

Former students returning who have been readmitted are not *required* to participate in an orientation program. Students must meet with their academic advisor for course selection.

Transient students and non-degree-seeking students are *not* considered former students returning. Former or continuing USF degree-seeking students must file another application for admission and pay the non-refundable \$30 application fee when applying for a second degree program, another level of study or readmission (see Readmission).

A student may not work on a second undergraduate degree if he/she has been accepted into a graduate program.
