The College of Education envisions itself as a leader in regional, national and international education. Leadership in education encompasses:

- Collaboration that serves communities, institutions, and individuals
- Academic excellence
- Research, scholarship, and inquiry that renews the educational process
- Ethical practice

The mission of the College of Education is to offer challenging learning opportunities in a supportive and diverse environment, create and support research, scholarship, and inquiry in education, prepare the next generation of educators, scholars, and leaders for pK-12 and the professoriate through exemplary undergraduate and graduate degree programs, serve the community to offer programs that prepare professionals who work competently, collaboratively, and ethically to improve educational outcomes for all.

The College of Education is accredited by the National Council for Accreditation of Teacher Education (NCATE). All educator preparation programs must meet the requirements of Chapter 6A-5.066 Rules of the State Board of Education of Florida, and have “Approved Program” status. The College of Education is committed to a continuous and systematic examination of the professional program of educator preparation. Each subdivision of the college maintains professional standards by participating in nationally-certified program reviews and also through ongoing departmental appraisals of learning outcomes.

Educator preparation programs are aligned with the Florida Educator Accomplished Practices and each program has an assessment program in place to monitor student progress toward these standards. Programs that do not lead to teacher certification are aligned with their respective professional standards and have assessment programs in place to monitor student progress toward those standards. Students in educator preparation programs leading to teacher certification are required to complete critical tasks/assignments in several of their professional preparation courses. Educator preparation programs require students to submit these critical tasks/assignments in an electronic portfolio. Therefore, a yearly access code to the electronic portfolio must be purchased by the student. In courses that have critical tasks, students must achieve a satisfactory score in order to pass the course.

The College of Education offers several programs in Secondary Education that are joint programs. This means we employ a collaborative approach to teacher preparation by The College of Education offering the core professional courses for secondary programs while the College of Arts and Sciences offers the content courses needed for the area of specialization.

Admission Requirements

The following section contains information specific to teacher education programs. For students seeking admission to Exercise Science, please refer to the later section of the catalog detailing this particular program. Students who wish to teach in a particular subject area or field should begin preliminary coursework during their first year in college. Students are eligible for admission to the College of Education when they have satisfied all admission requirements and have applied for admission through Student Academic Services (EDU 106). Admission requirements include the university’s Foundations of Knowledge and Learning Core Curriculum, state-mandated common prerequisites for education, the appropriate GPA, and passing PRAXIS I or General Knowledge Test scores.

Admission to an educator preparation program is contingent upon meeting the following college requirements:

1. Completion of a College of Education application form
2. Completion of Foundations of Knowledge and Learning Core Curriculum requirements. (See the “Academic Policies and Procedures - Foundations of Knowledge and Learning Core Curriculum Requirements” section of the catalog.) FKL courses will be determined by the community college or university where the student currently is earning the Associate in Arts or baccalaureate degree, and will be published in the institution’s existing catalog.

Note: Students should attend an advising session offered by Student Academic Services to be certain they are enrolled in courses appropriate for their intended major.

3. Completion of PRAXIS I or General Knowledge Test with passing scores (No exemptions or waivers are acceptable). Successful completion of all sections of the General Knowledge Test (GKT) during the first semester of admission is required. Failure to complete successfully all sections of the GKT during the first semester of admission may result in revocation of admission into the College of Education.
4. Although no longer required for admission to the College of Education, students are still encouraged to take the ACT or SAT. Many existing scholarships still require these scores.
5. Completion of State Mandated Common Prerequisites. Note: The following prerequisites are required for all students in teacher education majors. Students should review their intended majors (listed under “Departments and Programs”) for a complete list of specific course prerequisites and requirements beyond these listed below:
   - EDF X005 Introduction to the Teaching Profession 3
   - EDF X085 Teaching Diversity for Educators 3
   - EME X040 Introduction to Technology for Educators 3

In addition to EDF X085, a minimum of 6 semester hours with an international or diversity focus is required. Eligible students...
courses will be determined by the community college or university where the student is currently earning the Associate in Arts or baccalaureate degree. In addition to the courses listed below under USF International/Diversity Courses, FKls that satisfy the area of Human and Cultural Diversity in a Global Context are applicable. Foreign language courses may be used to meet this requirement. NOTE: EDF X005 is a prerequisite for taking EDF X085.

Completion of Foundations of Knowledge and Learning Core Curriculum requirements: Foundations of Knowledge and Learning Core Curriculum courses will be determined by the Florida College System institution or university where the student currently is earning the Associate in Arts or baccalaureate degree, and will be published in the institution’s existing catalog or in the Counseling Manual. (See the “Academic Policies and Procedures - Foundations of Knowledge and Learning Core Curriculum Requirements” section of the catalog).

6. Minimum GPA: An overall minimum GPA of 2.50 on all attempted hours
7. Additional criteria as may be established by each program

Some programs accept a limited number of students. Additionally, certain programs admit students only in a specified semester. Information regarding admission requirements for programs may be obtained from Student Academic Services (EDU 106).

Information for Students Concerning Field Experience

Students pursuing a Bachelor’s Degree in an educator preparation field will need to complete field experiences in EDF X005 and EDF X085. These are prerequisite courses required for admission to the College of Education. Students will need a social security number before enrolling in the first day of classes for these courses. International students will need to speak with International Student Services regarding their options for obtaining a social security number. Obtaining a social security number is ultimately the student’s responsibility.

If you are pursuing a Bachelor’s degree in Exercise Science you might need an SSN to complete a field experience or internship depending on your placement site requirements. If you are considering admission into the Exercise Science program, please discuss the need for an SSN with the program coordinator. Students enrolled in courses requiring field experiences may be required to undergo a background check and fingerprinting depending on the school district or agency. Depending upon the outcome of a background check, students may be informed they cannot be placed in a particular school district. As each academic department determines which school district in which to place their students, past legal history may impact a student’s ability to enter field experience and continue in a teacher education program. Please be advised that program and/or course requirements and fingerprint/background check procedures are subject to change per state legislative mandates, Florida State Department of Education program approval standards, accreditation criteria, and school district policy and procedures.

Students are strongly encouraged to purchase liability insurance before entering any course with field experience. Student Academic Services (EDU 106) can provide resources to students regarding coverage options.

Education Advising

Student Academic Services (SAS) is responsible for coordinating and executing many of the processes and procedures that support the academic pursuits of students in the College. The department's major areas of responsibility include the advisement of all pre-admitted and admitted undergraduate and Master of Arts in Teaching students, addressing matters related to final internship, providing information regarding scholarships and job opportunities, and providing students with resources related to Teacher Certification. SAS is committed to serving the mission of the College of Education and identifies student success as its guiding value.

While students are ultimately responsible for knowing and fulfilling all university, college, and degree program
requirements for graduation, the professional advisors in SAS are able to facilitate a student’s understanding of academic policy and procedure. Students interested in education are encouraged to meet with their academic advisor each semester. Appointments can be made using our online appointment scheduler at http://www.coedu.usf.edu/main/prospective.html. For additional contact information, please call the SAS office at 813-974-2979 or visit the web site at http://www.coedu.usf.edu/sas/.

Advising Office
Student Academic Services is located on the Tampa campus of USF in EDU 106. The office serves undergraduate and Master of Arts in Teaching students in the College of Education. The office is open from 8:00 AM to 5:00 PM weekdays and closed on university holidays.
Phone: 813-974-2979 • Fax: 813-974-3391

Application Information:
For general information, call (813) 974-2979. The admission process into the College of Education is separate and in addition to admission to USF. Students must be admitted to USF if they want to be eligible for admission to the College of Education. Information regarding the admission process such as deadlines to apply, terms of admission per major, course sequence and program overview can be found on our site at www.coedu.usf.edu from the Prospective Student tab. Tampa Campus students must register and attend a College of Education orientation after being accepted into the College prior to registering for classes.

During the College of Education orientation, students will receive information about their degree program and register for courses for their first semester.

Time Limitations
The College of Education may accept professional education and specialization coursework completed at this university or at other accredited institutions as follows:
1. Courses completed within the last five years may be accepted toward graduation.
2. Courses completed over five years but less than ten years ago must have the approval of the chairperson from the department in which the equivalent course is taught
3. Courses completed ten years ago or longer will count as elective credit only toward graduation.

Qualifications for Internship Experience in Educator Preparation Programs
The final internship experience involves observing and teaching in an early childhood, elementary, secondary, or exceptional classroom. Internship sites are limited and dependent upon the academic department.
Special requirements for enrollment in the final internship and seminar courses are:
1. Admission to the College of Education
2. Completion of Foundations of Knowledge and Learning Core Curriculum, "Gordon Rule," and all other program prerequisites
3. Completion of an application for the final internship by the deadline noted. Applications for final internship are found on the Student Academic Services website. Application deadline for Fall Semester is mid-January.
   Application deadline for Spring semester is mid-June.
4. Completion of fingerprinting and background check as required by the school district in which the student is placed
5. Students must earn a minimum "C-" or better grade or "S" in their required major courses.
6. Students must earn an overall GPA of 2.50 and combined GPA of a 2.50 in Core and Specialization courses.
7. Students should meet with their academic advisor to identify any additional requirements toward internship.

NOTE: Students who withdraw from or who have unsatisfactory grades in a field experience or internship must petition the Professional Standards Committee within their academic department before they will be allowed to repeat the experience. Any internship can be taken only twice with an unsatisfactory grade before removal from the program. Failure to pass the Subject Area and Professional Education portions of the Florida Teacher Certification Exam will result in an “I” (incomplete) grade for the final internship experience which will prevent the student from graduating.

College Requirements for Graduation from Educator Preparation Programs
To be certified by the College of Education for graduation, a student must:
1. Earn a minimum of 120 credit hours
2. Successfully complete all program requirements for ESOL
3. Earn a minimum overall grade point average of 2.5 and a minimum combined GPA of 2.5 in Specialization and Professional Core courses
4. Successfully complete the internship which includes passing the Subject Area and Professional Education components of the Florida Teacher Certification Exam (FTCE).
5. Submit passing scores on the appropriate FTCE Subject Area and Professional Education subtests.
6. Submit all documents due for graduation (i.e., test scores, final grades, final transcripts) to the Director of Undergraduate Programs and Internship (in EDU 106) no later than 5:00 pm on the Friday after the graduation ceremony. If that date is a university holiday, then the said information must be submitted no later than 5:00 pm on the Thursday after the graduation ceremony.
7. Complete the major requirements in a state-approved educator preparation program (which includes general preparation, teaching specialization, and professional preparation).
8. Earn a minimum of 8 credits in Professional Core courses in addition to internship and 12 credits in Specialization courses at USF.
9. Earn a minimum of 30 hours after admittance to an upper-level program at USF Tampa.
10. Apply for graduation using the Office of the Registrar’s graduation application.

Note: Normally, the college will recommend the granting of a Bachelor of Science (B.S.) degree which includes three hours of upper-level Writing Intensive coursework and a three-hour Capstone course. The Capstone course is contained within the major coursework. To obtain a Bachelor of Arts (B.A.) degree, the student must meet the Foreign Language Competency (see graduation requirements in front of catalog) in addition to the Writing Intensive and Capstone courses.

For information regarding a Bachelor of Arts degree, refer to the University Graduation Requirements for the Baccalaureate degree.

Music Education is offered in the College of The Arts.

See Departmental Section for specific program requirements.

### DEPARTMENTS AND PROGRAMS

The College of Education is organized into seven departments. Each department has one or more programs listed alphabetically in the following section.

#### Department of Adult, Career & Higher Education

The Department of Adult, Career and Higher Education offers no programs at the undergraduate level.

**Adult, Career & Higher Education Faculty**

Chairperson: K. King; Professors: J.A. Eison, W.B. James, K. King, J. Lasonen, W.H. Young; Associate Professors: R.B. Closson, D. Dellow, V. Hernandez-Gantes, W.R. Sullins; Assistant Professor: E. Fletcher; Professor Emeritus: W.E. Blank.
Department of Childhood Education and Literacy Studies

The Childhood Education and Literacy Studies Department has the responsibility for the development and supervision of programs leading to the Bachelor of Science Degree in Early Childhood Education and Elementary Education.

Please be advised that program and/or course requirements are subject to change, per state legislative mandates, Florida State Department of Education program approval standards, and accreditation criteria.

All of the programs offered on regional campuses may vary in requirements and course offerings. For an accurate schedule of courses and requirements, please check with the campus you plan to attend.

Early Childhood and Elementary Education Programs

Early Childhood and Elementary majors will be assigned to a specified sequence of courses to be followed throughout the program enrollment. Coursework will include internship and field experience. Students who withdraw from or who have unsatisfactory grades in the field experiences or internships must petition the department Professional Standards Committee before they will be allowed to repeat the internships. Any internship can only be taken twice before removal from program.

Students must have an overall GPA of 2.50 and a GPA of 2.50 in the combined Professional Core and Teaching Specialization prior to final internship and graduation.

The Elementary Education program is a full-time cohort program in which a group of pre-service teachers take their elementary specialization coursework together. These students also must meet all program and internship requirements. The requirements include being available to participate in internships during regular school hours.

The Early Childhood Education program is a full-time cohort program in which a group of pre-service teachers take their early childhood specialization coursework together.

Early Childhood with ESOL Endorsement

Students may complete a state-approved program to be eligible for licensure in Early Childhood Education Pre-Kindergarten/Primary (age 3 - Grade 3). The current program of studies includes both coursework and extensive field experiences in early childhood settings to enable students to integrate theory with teaching practice. Graduation is dependent upon successful completion of the required courses, associated internships, and critical tasks demonstrating the Florida Educator Accomplished Practices.

Early Childhood majors will be eligible for certification in Pre-Kindergarten/Primary (age 3 - Grade 3). Students must pass all Chalk and Wire assignments and upload every assignment to their Chalk and Wire account in order to graduate from the program.

The College of Education offers a full ESOL Endorsement for all Early Childhood Education major graduates. The special requirements for ESOL endorsement through infusion are as follows:

1. Successful completion of TSL 4080 and TSL 4251, with a minimum grade of 70 percent or better on all sections of the ESOL Comprehensive Exam administered in the two ESOL courses;
2. Successful completion of a 20-hour early ESOL field experience in TSL 4080;
3. Successful completion of a late ESOL field experience where students plan, implement, and evaluate lessons for one or more ESOL students over 10 days; and
4. Successful completion of all Chalk and Wire assignments as required, including from the two ESOL courses and the ESOL-infused classes.

Elementary Education with ESOL Endorsement

Students may complete a state-approved program to be eligible for certification in Elementary Education (Grades K-6). Degree and certification requirements are subject to change in accordance with state mandates. The current program of studies includes both coursework and extensive field experience in elementary school settings to enable students to integrate theory with teaching practice. All elementary education students are required to demonstrate the Accomplished Practices (APs) through core assignments in courses and internships that are submitted to the Chalk and Wire electronic portfolio system. Students must pass all Chalk and Wire assignments and upload every assignment to their Chalk and Wire account in order to graduate from the program.

The College of Education offers a full ESOL Endorsement for all Elementary Education major graduates. The special requirements for ESOL endorsement through infusion are as follows:

1. Successful completion of TSL 4080, TSL 4081 and TSL 4251, with a minimum grade of 70 percent or better on all three sections of the ESOL Comprehensive Exam administered in the three ESOL courses;
2. Successful completion of a 20-hour early ESOL field experience in TSL 4080;
3. Successful completion of a late ESOL field experience where students plan, implement, and evaluate lessons for one or more ESOL students over 10 days; and
4. Successful completion of all Chalk and Wire assignments as required, including from the three ESOL courses and the ESOL-infused classes.
Requirements after Admission into the Elementary and Early Childhood Programs:
1. Maintain at least a 2.50 GPA in professional education and specialization coursework. If a student falls below 2.50 GPA he/she may be dismissed and/or may be required to meet with the departmental Professional Standards Committee.
2. Receive a grade of C- or higher in all required courses to progress to the following semester or he/she may be dismissed and/or required to meet with departmental Professional Standards Committee.
3. Pay for costs in addition to tuition, fees, and books such as:
   a. Chalk and Wire access codes that are purchased at the bookstore
   b. Transportation to and from school sites required in courses and internships
   c. Criminal background checks and fingerprinting for internships
   d. Assignments in some classes (e.g., printing/binding of group project reports, academic and professional portfolio, digital recording equipment, etc.)

Childhood Education and Literacy Studies Faculty
Chairperson: D. Yendol-Hoppey; Professors: I. Berson, R. Brindley, J. King, J. Richards; Associate Professors: J. Blank, D. Dennis, J. Schneider; Assistant Professors: R. Burns, J. Davis, S. Han, J. Jacobs, Instructors: B. Green, C. Lippincott, D. Stewart.

- EARLY CHILDHOOD EDUCATION: Pre-Kindergarten/Primary (BEC) (CIP = 13.1210) (Track 1 of 3)
  TOTAL PROGRAM HOURS = 123 CREDIT HOURS
  Requirements for the B.S. Degree
  In addition to the courses listed below, students must complete “Preliminary Requirements for Students entering Teacher Education Programs.” All students must have completed and passed all sections of the General Knowledge Test (GKT) prior to being admitted.

Prerequisites (State Mandated Common Prerequisites)
These prerequisites must be met by transfer students as well as USF students. A grade of “C-” is the minimum acceptable grade.
• EDF X005 Introduction to the Teaching Profession 3
• EDF X085* Introduction to Diversity for Educators 3
• EME X040 Introduction to Technology for Educators 3
  *In addition to EDF X085, a minimum of 6 semester hours with an international or diversity focus is required. Eligible courses will be determined by the Florida College System institution or university where the student is currently earning the Associate in Arts or baccalaureate degree. Foreign language courses may be used to meet this requirement.

Completion of Foundations of Knowledge and Learning Core Curriculum requirements (General Education)
Foundations of Knowledge and Learning Core Curriculum (General Education) courses will be determined by the Florida College System institution or university where the student currently is earning the Associate in Arts or baccalaureate degree and will be published in the institution’s existing catalog or in the Florida College System institution Counseling Manual. (See the “Academic Policies and Procedures - Foundations of Knowledge and Learning Core Curriculum Requirements” section of the catalog.)

Professional Education Core (31 cr. hrs.):
  EDF 4124 Child Growth and Learning
  EEC 4941 Field Experience I
  EEC 4942 Field Experience II
  EEC 4943 Field Experience III
  EEC 4940 Final Internship
  EEC 4936 Senior Seminar in Early Childhood Education (Capstone)
  TSL 4080 Curriculum and Pedagogy of ESOL
  TSL 4251 Applying Linguistics to ESOL Teaching and Testing

Specialization (42 cr. hrs.):
  EDG 4909 Directed Study: Elementary Education (repeatable course)
  EDG 4909 Assessment, Evaluation, Reporting Process
  EEC 4203 Programs for Young Children
  EEC 4211 Science for Young Children
  EEC 4219 Mathematics for Young Children

- **ELEMENTARY EDUCATION (BEE) (CIP = 13.1202)**

**TOTAL PROGRAM HOURS = 120 CREDIT HOURS**

**Requirements for the B.S. Degree (BEE)**

In addition to the courses listed below, students must complete “Preliminary Requirements for Students entering Teacher Education Programs.” All students must have completed and passed all sections of the General Knowledge Test (GKT) prior to being admitted.

**Prerequisites (State Mandated Common Prerequisites)**

These prerequisites must be met by transfer students as well as USF students. A grade of “C-” is the minimum acceptable grade.

- EDF X005  Introduction to the Teaching Profession  3
- EDF X085*  Introduction to Diversity for Educators  3
- EME X040  Introduction to Technology for Educators  3

*In addition to EDF X085, a minimum of 6 semester hours with an international or diversity focus is required. Eligible courses will be determined by the Florida College System institution or university where the student is currently earning the Associate in Arts or baccalaureate degree. Foreign language courses may be used to meet this requirement.

**Completion of Foundations of Knowledge and Learning Core Curriculum requirements (General Education)**

Foundations of Knowledge and Learning Core Curriculum (General Education) courses will be determined by the Florida College System institution or university where the student currently is earning the Associate in Arts or baccalaureate degree and will be published in the institution’s existing catalog or in the Florida College System institution Counseling Manual. (See the “Academic Policies and Procedures - Foundations of Knowledge and Learning Core Curriculum Requirements” section of the catalog.)

Students are advised that the Elementary Education specialization will require an enrollment of more than the traditional four semesters of the junior and senior years in order to complete the program specialization courses and the required sequence of internship.

The order in which these courses are to be taken is designated in the program of study.

**Professional Education (30 credit hours):**

- EDP 3271  Child Development within a School Context
- EDP 3272  Learning within a School Context
- EDP 4275  Enhancing Children’s Learning & Development w/ a School Context
- EDF 4430  Measurement for Teachers
- EEX 4070  Integrating Exceptional Students in the Regular Classroom
- TSL 4080  ESOL 1 - Curriculum and Pedagogy of ESOL
- TSL 4081  ESOL 2 - Literacy Development in English Language Learners
- TSL 4251  ESOL 3 - Applying Linguistics to ESOL Teaching and Testing
- EDE 4940  Internship: Elementary Education

**Specialization (42credit hours):**

- EDE 4301  Instructional Planning for Diverse Learners
- EDE 4941  Childhood Education Internship Level I
- EDE 4942  Childhood Education Internship Level I
- EDE 4943  Alternative Setting Field Experience
- EDE 4944  Childhood Education Internship Level III
- EDE 4504  Creating and Differentiating Learning Environments
- LAE 4311  Teaching Print and Multimodal Texts in Elementary Education
- LAE 4424  Teaching Children’s Literature
- MAE 4310  Teaching Elementary School (K-6) Mathematics I
- MAE 4326  Teaching Elementary School (K-6) Mathematics II
Department of Secondary Education

The following programs are housed in the department of Secondary Education:
- English Education with ESOL Endorsement
- Foreign Language Education with ESOL Endorsement
- Mathematics Education
- Science Education
- Social Science Education

The undergraduate programs offered by the department are designed to prepare students to meet Florida teacher certification requirements and to become highly competent secondary teachers. Specialized courses in the teaching of mathematics, science, and social science are also offered for students majoring in elementary, early childhood, and special education.

Please be advised that program and/or course requirements are subject to change, per state legislative mandates, Florida State Department of Education program approval standards, and accreditation criteria.

Secondary Education Faculty

- ENGLISH EDUCATION with ESOL Endorsement (BEN) (CIP = 13.1305)

**TOTAL PROGRAM HOURS = 120 CREDIT HOURS**

**Requirements for the B.S. Degree**

In addition to the courses listed below, students must complete “Preliminary Requirements for Students entering Teacher Education Programs.”

The College of Education offers a full ESOL Endorsement for all English Education major graduates. The special requirements for ESOL endorsement through infusion are as follows: Successful completion of (1) FLE 4317 and FLE 4316 with a minimum grade of 70 percent or better on part one and part two of the ESOL Comprehensive Exam administered in the two ESOL courses; (2) a 20-hour early ESOL field experience in FLE 4317; (3) a late ESOL field experience where students plan, implement, and evaluate lessons for one or more ESOL students over 10 days; and (4) an ESOL binder, containing all ESOL-related assignments taken in the College of Education and an ESOL-performance Standards Checklist that documents the completion of the necessary number of standards.

**Prerequisites (State Mandated Common Prerequisites)**

These prerequisites must be met by transfer students as well as USF students. A grade of “C-” is the minimum acceptable grade.

- FLE 4317 Teaching LEP Students K-12
- FLE 4316 Language Principles and Acquisition
- XXX XXXX A Literacy Course
- ESE 4322 Classroom Management

**Specialization (21 credit hours):**

- ENC 3310 Expository Writing
- **One of the following:**
  - LIT 3103 Great Literature of the World (Exit)
  - WST 4410 Third World Women Writers (Exit)
  - LAE 4469 Teaching World Literature to Middle and Secondary Students
- **One of the following:**
  - AML 3031 American Literature to 1860
  - AML 3032 American Literature 1860-1912
  - AML 3051 American Literature 1912-1945
- **One of the following:**
  - ENL 3015 British Literature to 1616
  - ENL 3230 British Literature 1616-1780
  - ENL 3251 British Literature 1780-1900
  - ENL 3273 British Literature 1900-1945
- **One of the following:**
  - LIT 3383 The Image of Women in Literature
  - LIT 4386 British and American Literature by Women (Exit)
- **One of the following:**
  - LIN 3010 Introduction to Linguistics
  - ENG 4060 History of the English Language
- **One of the following:**
  - LIN 3670 English Grammar and Usage
  - LIN 4680 Structure of American English

**Additional Specialization (24 credit hours):**

- LAE 4464 Adolescent Literature for Middle and Secondary Students
- LAE 4323 Methods of Teaching English: Middle School
  (Fall Semester Only)
- LAE 4530 Methods of Teaching English: Practicum
  (Fall Semester Only)
- LAE 4335 Methods of Teaching English: High School
  (Spring Semester Only)
- LAE 4936 Senior Seminar in English Education
- LAE 4940 Internship: English Education

**English Education (BEN), BS/BA, 120, CIP 13.1305**

The curricula and courses presented below are a guide for remaining on track towards the bachelor’s degree. Please note that alternative courses exist for many of the courses and that this is not an official degree plan. It is an advising tool and students should consult with an advisor in their major to ensure that all degree requirements are met.
## Fall Semester - Year 1
- ENC 1101 Composition I  
- SPC 2608 Public Speaking  
- XXX XXXX FKL Fine Arts  
- XXX XXXX FKL Humanities  
- XXX XXXX FKL Mathematics (select MGF 1106 or MGF 1107)  
- Total 15

## Spring Semester - Year 1
- EME 2040 Introduction to Technology for Educators  
- ENC 1102 Composition II  
- XXX XXXX FKL Mathematics or Quantitative Reasoning  
  (Recommended: STA 2023 Introductory Statistics I)  
- XXX XXXX FKL Social sciences  
- XXX XXXX Literature Course (select LIT, AML or ENL)  
- Total 15

## Fall Semester - Year 2
- EDF 2005 Introduction to the Teaching Profession and Field Experience  
- XXX XXXX English Elective (meets Common Prerequisites)  
- XXX XXXX FKL Human and Cultural Diversity in A Global Context  
- XXX XXXX FKL Natural Sciences (Life)  
- XXX XXXX FKL Humanities  
- Total 15

## Spring Semester - Year 2
- AML 3031 American Literature from the Beginnings to 1860 or AML 3032 or AML 3051  
- EDF 2085 Introduction to Diversity for Educators  
- ENC 3310 Expository Writing  
- XXX XXXX FKL Natural Sciences (Physical)  
- XXX XXXX General Elective  
- Total 13

## Summer Term - Year 2
- EDF 3604 Schools and Society  
- LIT 3383 The Image of Women in Literature or LIT 4386 British and American Literature by Women  
- Total 6

## Fall Semester - Year 3
- EDF 3214 Human Development and Learning  
- ENL 3015 British Literature to 1616 or ENL 3230 or ENL 3251 or ENL 3273  
- FLE 4317 Teaching Students with Limited English Proficiency  
- LAE 4323 Methods of Teaching English: Middle School  
- LIN 3010 Introduction to Linguistics or ENG 4060 History of the English Language  
- Total 15

## Spring Semester - Year 3
- EDF 4430 Measurement for Teachers  
- ESE 4322 Classroom Management for Diverse School and Society  
- LAE 4335 Methods of Teaching English: High School  
- LAE 4464 Adolescent Literature for Middle and Secondary Students  
- Total 12

## Summer Term - Year 3
- EEX 4070 Integrating Exceptional Students in the Regular Classroom  
- LIT 3103 Great Literature of the World or WST 4410 or LAE 4469  
- Total 5

## Fall Semester - Year 4
- EDG 4909 Directed Studies (course title: Teaching Reading in Secondary English)  

219
### FOREIGN LANGUAGE EDUCATION (FLE) with ESOL Endorsement (CIP = 13.1306)

**Concentration Codes:** BFF=French, BFG=German, BFI=Italian, BFR=Russian, BFS=Spanish  
**TOTAL PROGRAM HOURS = 120 CREDIT HOURS**

#### Requirements for the B.S. Degree

In addition to the courses listed below, students must complete “Preliminary Requirements for Students entering Teacher Education Programs.” A minimum of 30 credit hours beyond intermediate course requirements must be earned in the foreign language. Programs are available for Spanish (BFS), French (BFF), Italian (BFI), German (BFG) and Russian (BFR).

The College of Education offers a full ESOL Endorsement for all Foreign Language Education major graduates. The special requirements for ESOL endorsement through infusion are as follows:

1. Successful completion of FLE 4317 and FLE 4316 with a minimum grade of 70 percent or better on part one and part two of the ESOL Comprehensive Exam administered in the two ESOL courses;
2. Successful completion of a 20-hour early ESOL field experience in FLE 4317;
3. Successful completion of a late ESOL field experience where students plan, implement, and evaluate lessons for one or more ESOL students over 10 days; and
4. Successful completion of an ESOL binder, containing all ESOL-related assignments taken in the College of Education and an ESOL-performance Standards Checklist that documents the completion of the necessary number of standards. FLE students must also take TSL 4081 ESOL 2, Literacy Development in English Language Learners which is not part of the ESOL requirement for the FLE program, but does meet the reading requirement.

#### Prerequisites (State Mandated Common Prerequisites)

These prerequisites must be met by transfer students as well as USF students. A grade of “C-” is the minimum acceptable grade.

- EDF X095 Introduction to the Teaching Profession 3
- EDF X085 *Teaching Diversity for Educators 3
- EME X040 Introduction to Technology for Educators 3
- Other program prerequisites:**
  - XXX XXXX (8) – Eight credits in the same foreign language at the intermediate level
  - XXX XXXX (3) – Three credits in the same language of study with a cultural emphasis

*In addition to EDF X085, a minimum of 6 semester hours with an international or diversity focus is required. Eligible courses will be determined by the Florida College System institution or university where the student is currently earning the Associate in Arts or baccalaureate degree. Foreign language courses may be used to meet this requirement.

**Courses specified in this category may apply to Foundations of Knowledge and Learning Core Curriculum coursework.

#### Completion of Foundations of Knowledge and Learning Core Curriculum requirements (General Education)

Foundations of Knowledge and Learning Core Curriculum courses (General Education) will be determined by the Florida College System institution or university where the student is currently earning the Associate in Arts or baccalaureate degree, and will be published in the institution's existing catalog or in the Counseling Manual. (For USF, see “Academic Policies and Procedures – Foundations of Knowledge and Learning Core Curriculum” section of the catalog.)

#### Professional Education (33 credit hours):

- EDF 3214 Human Development and Learning
- EDF 3604 Schools and Society (WRIN)
- EDF 4430 Measurement for Teachers
- EEX 4070 Integrating Exceptional Students in the Regular Classroom
COLLEGE OF EDUCATION

ESE 4322 Classroom Management
FLE 4316 Language Principles and Acquisition
FLE 4317 Teaching LEP Students K-12
TSL 4081 ESOL 2 Literacy Development in English Language Learners
FLE 4936 Senior Seminar in Foreign Language Education
FLE 4940 Internship: Foreign Language Education

Teaching Specialization (39 credit hours):
1. Foreign language (27)
   Conversation and Composition
   Literature
   Culture and Civilization
   Linguistics
2. Foreign Language Education
   12 credit hours in methods of teaching a language at the elementary and secondary levels, including a practicum.
   Fall Term:
   FLE 4314 Methods of Teaching Foreign Languages and ESOL in the Elementary School
   Spring Term:
   FLE 4333 Methods of Teaching Foreign Languages and ESOL in the Secondary School
   FLE 4370 Practicum in Foreign Language Teaching in the Secondary School
   Summer Term:
   FLE 4290 Technology in the Foreign and Second Language Classroom

• MATHEMATICS EDUCATION (BMA) (CIP = 13.1311) (Track 1 of 2)
  TOTAL PROGRAM HOURS = 120 CREDIT HOURS

Requirements for the B.S. Degree
In addition to the courses listed below, students must complete "Preliminary Requirements for Students entering Teacher Education Programs (see statement under main college heading)."

Prerequisites (State Mandated Common Prerequisites):
These prerequisites must be met by transfer students as well as USF students. A grade of "C-" is the minimum acceptable grade.
• EDF X005 Introduction to the Teaching Profession 3
• EDF X085* Teaching Diversity for Educators 3
• EME X040 Introduction to Technology for Educators 3
• MAC X311 Calculus I 4
• MAC X312 Calculus II 4
• MAC XXXX or MTG XXXX or MAS XXXX Mathematics Electives 4
*In addition to EDF X085, a minimum of 6 semester hours with an international or diversity focus is required. Eligible courses will be determined by the community college or university where the student is currently earning the Associate in Arts or baccalaureate degree. Foreign language courses may be used to meet this requirement.
** Courses specified in this category may apply to the USF Foundations of Knowledge and Learning (FKL) Core Curriculum coursework.

Completion of Foundations of Knowledge and Learning Core Curriculum requirements (General Education):
FKL Core Curriculum courses (General Education) will be determined by the Florida College System institution or university where the student currently is earning the Associate in Arts or baccalaureate degree, and will be published in the institution’s existing catalog or in the Counseling Manual. (For USF, see "Academic Policies and Procedures - Liberal Arts Requirements" section of the catalog.)

Professional Education (32 credit hours):
EDF 3214 Human Development and Learning
EDF 3604 Schools and Society (WRIN)
EDF 4430 Measurement for Teachers
EEX 4070 Integrating Exceptional Students in the Regular Classroom
TSL 4324 ESOL Competencies and Strategies
MAE 4940 Internship: Mathematics Education
MAE 4936 Senior Seminar in Mathematics Education
ESE 4322 Classroom Management
Specialization (25 credit hours):
- MAC 2313 Calculus III
- MAD 3100 Discrete Mathematics
- MAS 3105 Linear Algebra or MAS 4301 Elementary Abstract Algebra
- MAS 4214 Elementary Number Theory
- MGF 3301 Bridge to Abstract Mathematics
- MHF 4403 Early History of Math (Exit)
- MTG 3212 Geometry or MTG 4214 Modern Geometry
- STA 2023 Intro Statistics I

Additional Specialization (15 credit hours):
- MAE 4320 Middle School Methods
- MAE 4330 Senior High School Methods
- MAE 4551 Reading the Language of Mathematics
- MAE 4652 Technology for Teaching Secondary School Mathematics I
- MAE 4945 Practicum in Mathematics Education

Mathematics Education (BMA), BS/BA, 120

The curricula and courses presented below are a guide for remaining on track towards the bachelor's degree. Please note that alternative courses exist for many of the courses and that this is not an official degree plan. It is an advising tool and students should consult with an advisor in their major to ensure that all degree requirements are met.

**Fall Semester - Year 1**
- ENC 1101 Composition I 3
- MAC 2311 Calculus I 4
- XXX XXXX FKL Fine Arts 3
- XXX XXXX FKL Social and Behavioral Sciences 3
- XXX XXXX FKL Humanities 3
- Total 16

**Spring Semester - Year 1**
- ENC 1102 Composition II 3
- EDF 2005 Introduction to the Teaching Profession and Field Experience 3
- MAC 2312 Calculus II 4
- XXX XXXX FKL Social and Behavioral Sciences 3
- XXX XXXX FKL Humanities 3
- Total 16

**Fall Semester - Year 2**
- EDF 2085 Teaching Diversity for Educators and Field Experience 3
- EME 2040 Introduction to Technology for Educators 3
- MAC 2313 Calculus III 4
- XXX XXXX FKL Natural Sciences (Life) 3
- Total 13

**Spring Semester - Year 2**
- EDF 3604 Schools and Society 3
- STA 2023 Introductory Statistics I 3
- XXX XXXX FKL Human and Cultural Diversity in a Global Context 3
- XXX XXXX FKL Natural Sciences (Physical) 3

**SCIENCE EDUCATION (SCE) (CIP = 13.1316)**

**TOTAL PROGRAM HOURS = 120 CREDIT HOURS**

**Requirements for the B.S. Degree**

In addition to the courses listed below, students must complete “Preliminary Requirements for Students Entering Teacher Education Programs.”

**Prerequisites (State Mandated Common Prerequisites)**

These prerequisites must be met by transfer students as well as USF students. A grade of “C-” is the minimum acceptable grade.

- EDF X005 *Introduction to the Teaching Profession* 3
- EDF X085 *Teaching Diversity for Educators* 3
- EME X040 *Introduction to Technology for Educators* 3

Other state mandated program prerequisites:

**For Biology Teacher Education**

Biology I and II with Labs: BSC X010/X010L and BSC X011/X011L or BSC X010C and BSC X011C 8

Chemistry with Lab or Physics with Lab:

- CHM X045/X045L or PHY X048/X048L or PHY X053/X053L or CHM X045C
- or PHY X048C or CHM X046/046L or PHY X049/X049L or
- PHY X054/X054L or CHM X046C or PHY X049C

Calculus I: MAC X311 Calculus I or MAC X241 4

**For Chemistry Teacher Education**

Chemistry with Lab: CHM X045/X045L and CHM X046/X046L 8

Physics with Lab: PHY X048/X048L and PHY X049/X049L

- or PHY X053/X053L and PHY X054/X054L
- or PHY X048C and PHY X049C
- or PHY X053C and PHY X054C

Calculus I: MAC X311 Calculus I 4

**For Physics Teacher Education**

Physics with Lab: PHY X048/X048L and PHY X049/X049L 8

- or PHY X048C and PHY X049C

Chemistry with Lab: CHM X045/X045L and CHM X046/X046L

- or CHM X045C and CHM X046C

Calculus: MAC X311, MAC X312, MAC X313 4

*In addition to EDF X085, a minimum of 6 semester hours with an international or diversity focus is required.

Eligible courses will be determined by the community college or university where the student is currently earning the Associate in Arts or baccalaureate degree. Foreign language courses may be used to meet this requirement.

**Courses specified in this category may apply to Foundations of Knowledge and Learning Core Curriculum coursework.**

**Completion of Foundations of Knowledge and Learning Core Curriculum requirements (General Education)**

Foundations of Knowledge and Learning (FKL) Core Curriculum courses (General Education) will be determined by the Florida College System institution or university where the student currently is earning the Associate in Arts or baccalaureate degree, and will be published in the institution’s existing catalog or in the Counseling Manual. (For USF, see “Academic Policies and Procedures – Foundations of Knowledge and Learning Core Curriculum” section of the catalog.)
Professional Education Core for all Science Education Concentrations (32 credit hours):
The required courses in the professional education core are as follows:
EDF 3214 Human Development and Learning
EDF 3604 Schools and Society (WRIN)
EDF 4430 Measurement for Teachers
EEX 4070 Integrating Exceptional Students in the Regular Classroom
ESE 4322 Classroom Management for Diverse Schools and Society
SCE 4940 Internship: Science Education
SCE 4936 Senior Seminar in Science Education (CPST)
SCE 4945 Practicum in Secondary Science Education
TSL 4324 ESOL Competencies and Strategies

Biology Education
Prerequisites (16 credit hours):
BSC 2010 Cellular Processes*
BSC 2010L Cellular Processes Lab*
BSC 2011 Biodiversity*
BSC 2011L Biodiversity Lab*
CHM 2045, 2045L General Chemistry I and Lab*
PHY 2048, 2048L General Physics I and Lab (with Calculus)
or PHY 2053, 2053L General Physics and Lab*
MAC 2281 Engineering Calculus I or MAC 2311 Calculus I

Specialization (33 credit hours):
PCB 3023, 3023L Cell Biology and Lab
PCB 3043, 3043L Principles of Ecology and Lab
PCB 3063 General Genetics
PCB 4674 Organic Evolution
BSC 4057 Environmental Issues (Exit)
SCE 4305 Communication Skills in the Science Classroom
SCE 4320 Teaching Methods in Middle Grades Science
SCE 4330 Teaching Methods in Secondary School Science
SCE 4863 Science, Technology, Society Interaction
MAC 2311 Calculus I or MAC 2241

Science Education (SCE), Biology (BSB), BS/BA, 120 – CIP 13.1316 (Track 1 of 5)
The curricula and courses presented below are a guide for remaining on track towards the bachelor’s degree. Please note that alternative courses exist for many of the courses and that this is not an official degree plan. It is an advising tool and students should consult with an advisor in their major to ensure that all degree requirements are met.

Fall Semester - Year 1
ENC 1101 Composition I 3
CHM 2045 General Chemistry I or PHY 2048 or PHY 2053 3
CHM 2045L General Chemistry I Laboratory or PHY 2048L or PHY 2053L 1

### Physics Education

**Professional Education Core for all Science Education Concentrations (32 credit hours):**

The required courses in the professional education core are as follows:

- EDF 3214 Human Development and Learning
- EDF 3604 Schools and Society (WRIN)
- EDF 4430 Measurement for Teachers
- EEX 4070 Integrating Exceptional Students in the Regular Classroom
- ESE 4322 Classroom Management for Diverse Schools and Society
- SCE 4940 Internship: Science Education
- SCE 4936 Senior Seminar in Science Education (CPST)
- SCE 4945 Practicum in Secondary Science Education
- TSL 4324 ESOL Competencies and Strategies

**Prerequisites (16 credit hours):**

- CHM 2045 General Chemistry I*
CHM 2045L General Chemistry Lab*
CHM 2046 General Chemistry II*
CHM 2046L General Chemistry II Lab*
PHY 2048 General Physics I – Calculus Based
PHY 2048L General Physics I – Calculus Based Lab*
PHY 2049 General Physics II – Calculus Based
PHY 2049L General Physics II – Calculus Based Lab*

Specialization (39 credit hours):
PHY 2020 Conceptual Physics
PHY 3101 Modern Physics
PHY 3221 Mechanics I
PHY 3323C Electricity and Magnetism
PHZ 3113 Mathematical Methods in Physics
SCE 4320 Teaching Methods in Middle Grade Science
SCE 4330 Teaching Methods in Secondary School Science
SCE 4305 Communication Skills in the Science Classroom
SCE 4863 Science, Technology, Society Interaction
MAC 2311 Calculus I
MAC 2312 Calculus II
MAC 2313 Calculus III

*May be part of Foundations of Knowledge and Learning Core Curriculum Requirements

TOTAL PROGRAM HOURS = 120 CREDIT HOURS

Requirements for the B.S. Degree

In addition to the courses listed below, students must complete "Preliminary Requirements for Students entering Teacher Education Programs." It is recommended that students pursue a double major in Social Science Education with History or one of the Social Sciences.

Prerequisites (State Mandated Common Prerequisites)

These prerequisites must be met by transfer students as well as USF students. A grade of "C-" is the minimum acceptable grade.

- EDF X005 Introduction to the Teaching Profession 3
- EDF X085 Teaching Diversity for Educators 3
- EME X040 Introduction to Technology for Educators 3

Other program prerequisites**:

AMH X010 3
AMH X020 3
POS X041 3
ECO XXXX or SOC XXXX or ANT XXXX or PSY XXXX or GEA XXXX 3

*In addition to EDF X085, a minimum of 6 semester hours with an international or diversity focus is required. Eligible courses will be determined by the Florida College System institution or university where the student is currently earning the Associate in Arts or baccalaureate degree. Foreign language courses may be used to meet this requirement.

** Courses specified in this category may apply to Foundations of Knowledge and Learning (FKL) Core Curriculum coursework.

Completion of Foundations of Knowledge and Learning Core Curriculum requirements (General Education)

Foundations of Knowledge and Learning Core Curriculum courses (General Education) will be determined by the Florida College System institution or university where the student currently is earning the Associate in Arts or baccalaureate degree, and will be published in the institution's existing catalog or in the Counseling Manual. (For USF, see "Academic Policies and Procedures – Foundations of Knowledge and Learning Core Curriculum" section of the catalog.)

Professional Education Core (18 credit hours):
- EDF 3214 Human Development and Learning
- EDF 3604 Schools and Society (Exit)
- EDF 4430 Measurement for Teachers
- EEX 4070 Integrating Exceptional Students in the Regular Classroom
- TSL 4324 ESOL Competencies and Strategies
- ESE 4322 Classroom Management for Diverse School and Society

Social Sciences Specialization (45 credit hours):
- AMH 2010 American History I
- AMH 2020 American History II
- AMH 3421 Early Florida
- AMH 3423 Modern Florida
COLLEGE OF EDUCATION

Spring Semester - Year 2
ANT 2000 Introduction to Anthropology or ANT 2410 Cultural Anthropology 3
Department of Educational Measurement and Research
The Department of Educational Measurement and Research offers EDF 4430, Measurement for Teachers, that provides students with the measurement and evaluation skills and dispositions they need to be effective classroom teachers. Students use curriculum-based, learner-based, context-based, and professionally-based standards to develop and use objective, product, and live performance tests; attitude observation and self-report assessments; they analyze and evaluate learner progress, their tests, and their instruction; and they communicate learner progress using portfolios, grades, and standardized test profiles. The course is delivered using web-based distance and web-enhanced laboratory formats.

Educational Measurement and Research Faculty
Chairperson: J.M. Ferron; Professors: R. F. Dedrick; J. M. Ferron, J. D. Kromrey; Associate Professor: L. Rodriguez-Campos; Assistant Professor: Y.-H. Chen; C. DeLuca, E. S. Kim; Visiting Instructor: G. D. Lunsford.

School of Physical Education & Exercise Science
The School of Physical Education & Exercise Science offers a variety of Elective Physical Education courses and conducts a Physical Education Teacher Preparation Program, and an Exercise Science Program. For Athletic Training, please refer to the College of Medicine - Department of Orthopaedics and Sports Medicine.
Physical Education Elective Program

Physical Education elective offerings in the School of Physical Education and Exercise Science are designed to provide opportunities for all students in the University to acquire knowledge and movement skills related to an active healthy lifestyle. Laboratory experiences in over twenty-five different exercise and sports activities allow students to select and develop proficiency appropriate for leisure pursuit and personal development. Special competency courses provide for in-depth study in such areas as personal wellness, current issues in sports, and first aid.

- PHYSICAL EDUCATION and EXERCISE SCIENCE (PET) (CIP = 13.1314)

Students must enroll in one of the following programs: a) Physical Education K-12 (Florida Teacher Certification); or b) Exercise Science.

Requirements for the B.S. Degree (PET, BPW)

The two-year programs are offered beginning in the junior year and include mandatory attendance during the summer session between the junior and senior years. Students in Physical Education and Exercise Science may enter in the Fall Semester of each year only. Students proceed through the programs in cohorts and are required to complete all required courses each semester with a grade of "C-" or better in order to progress to the next semester. Students who do not complete the requirements will be dismissed from the program and may reapply for the next cohort.

For K-12 Physical Education Major (PET):

The physical education program is a full-time program. Students must be available for classes from 8:00 am - 5:00 pm, Monday through Friday each semester. Additional time commitments may be necessary for course work in the evenings. Entrance requirements are:

1. An overall GPA of 2.50.
2. Completion of all the following “common statewide prerequisites” for physical education programs prior to fall admission with a C- or higher.

Prerequisites (State Mandated Common Prerequisites)

These prerequisites must be met by transfer students as well as USF students.
- EDF X005 Introduction to the Teaching Profession 3
- EDF X085* Teaching Diversity for Educators 3
- EME X040 Introduction to Technology for Educators 3
- Other program prerequisites**
  - Anatomy & Physiology I 3-4
  - Care and Prevention of Athletic Injuries or Anatomy & Physiology II w/lab 3-4
  - Skill Development Courses in Physical Activities 4-5

*In addition to EDF X085, a minimum of 6 semester hours with an international or diversity focus is required. Eligible courses will be determined by the community college or university where the student is currently earning the Associate in Arts or baccalaureate degree. Foreign language courses may be used to meet this requirement.

** Courses specified in this category may apply to Foundations of Knowledge and Learning Core Curriculum coursework.

Completion of Foundations of Knowledge and Learning Core Curriculum requirements (General Education)

Foundations of Knowledge and Learning Core Curriculum courses (General Education) will be determined by the Florida College System institution or university where the student currently is earning the Associate in Arts or baccalaureate degree, and will be published in the institution's existing catalog or in the Counseling Manual. (For USF, see “Academic Policies and Procedures - Foundations of Knowledge and Learning Core Curriculum Requirements” section of the catalog.)

Requirements, After Admission:

Students accepted into the physical education program must meet the following additional requirements:

1. Sign an agreement to abide by the standards set forth in the School of Physical Education and Exercise Science Student Handbook on Professional Behavior and Ethical Conduct.
2. Pay for costs in addition to tuition, fees, and books such as:
   a. Attendance at the state professional organization conference (minimally 1 year)
   b. Student membership in the state physical education professional organizations
   c. Transportation to and from school sites required in courses and internships
   d. Physical Education Teacher Education uniform for internships
   e. Criminal background checks and finger printing for internships
1. Assignments in some classes (e.g., printing/binning of group project reports, academic and professional portfolio, professional file, etc.)
2. Electronic assignment portfolio throughout program
3. Receive a grade of C- or higher in all required courses and maintain a 2.50 GPA in order to progress to the next semester.
4. Complete professional development plans throughout the program.
5. Complete and pass individual development plans in identified skill areas during the program.

**For Exercise Science Major (BPW)**

Students who successfully complete the undergraduate Exercise Science Major earn a B.S. degree in Physical Education with a Specialization in Exercise Science. This program is offered in the School of Physical Education & Exercise Science in the College of Education. The Exercise Science program prepares students for a variety of entry level positions in the exercise science field. See our website (http://www.coedu.usf.edu/main/departments/physed/programs/progEs.html) for the types of jobs and job settings available as well as other important information. Successful completion of the program qualifies students for national professional certifications such as ACSM’s Certified Health Fitness Specialist (HFS) and the National Strength and Conditioning Association’s (NSCA’s) Certified Strength and Conditioning Specialist (CSCS).

The course work is offered over a two-year period beginning in the fall semester of the student’s junior year as shown below. The summer session (Session C – 10 weeks) between the junior and senior year is mandatory. Students can enter the program during the fall semester only and they progress through the program in a cohort.

**Completion of Foundations of Knowledge and Learning Core Curriculum requirements (General Education)**

Foundations of Knowledge and Learning Core Curriculum courses (General Education) will be determined by the Florida College System institution or university where the student currently is earning the Associate in Arts or
baccalaureate degree, and will be published in the institution’s existing catalog. (For USF, see “Academic Policies and Procedures - Foundations of Knowledge and Learning Core Curriculum Requirements” section of the catalog.)

Major Requirements:
The exercise science program is a full-time program. Students must be available for classes from 8:00 am – 5:00 pm, Monday through Thursday each semester. Additional time commitments may be necessary for course work such as PET 3940 (Practicum) and PET 4941 (Internship). The exercise science program is a limited access program meaning that enrollment is limited to 30 students each fall semester. Selection of the 30 students is based on the following criteria:
1. An overall GPA of 2.50. This is a College of Education criterion.
2. Completion of all the following “common statewide prerequisites” for exercise science programs by the spring semester prior to fall admission with a C- or higher.
3. Students with the top 30 composite GPAs will be selected for admission into the program. A composite GPA score will be calculated for each student by adding 30 percent of the overall GPA and 70 percent of the common statewide prerequisite GPA.

Prerequisites (State Mandated Common Prerequisites): These prerequisites must be met by transfer students as well as USF students. A grade of “C-” is the minimum acceptable grade.
- Human Anatomy and Physiology I and lab or Human Anatomy and lab 4
- Human Anatomy and Physiology II and lab or Human Physiology and lab 4
- College Algebra or higher 3
- Statistics or Pre-Calculus 3
- General Psychology 3
- General Nutrition 3
- Survey of Chemistry or higher and lab 4
- Public Speaking 3

The following are “recommended” prerequisite courses and the grades in these courses will not be used to calculate the “common statewide prerequisite” GPA for admission.
1. PEM 2131 Weight Training 2
2. HLP 2081 Personal Wellness 3

NOTE: Though no computer course is recommended, students need to possess excellent computer skills, e.g., MS applications.

Admission Criteria:
Students must:
1. Apply to the University of South Florida.
2. Submit a completed application to the Exercise Science program, including official transcripts between June 1st and July 15th for fall admission.
3. Complete the Foundations of Knowledge and Learning Core Curriculum requirements for the University of South Florida or for the Florida public college or university in which the student took his or her Foundations of Knowledge and Learning Core Curriculum requirements.

Requirements, After Admission:
By August 1st, students will be informed if they have been accepted into the program. Students accepted into the program must inform the College of Education advising office by August 15th that they will or will not be enrolling in fall classes. Once admitted, students will need to meet the following requirements:
1. Complete an online College of Education Orientation and attend an Exercise Science Orientation on Wednesday morning of the week prior to the beginning of the fall semester.
2. Sign an agreement to abide by the standards set forth in the School of Physical Education & Exercise Science Student Handbook on Professional Behavior and Ethical Conduct.
3. Pay for costs in addition to tuition, fees, and books such as:
   a. Material and supply fee for PET 3384
   b. Student membership for the Exercise Science student organization
   c. Professional liability insurance
   d. Student membership in at least one professional organization
   e. Transportation to and from field experiences required in courses including the practicum and internship
   f. Possible requirements of practicum/internship sites such as health/medical exam, immunizations/vaccines, criminal background check, finger printing, drug/alcohol screening, personal health insurance, uniforms, and parking
   g. Possible costs associated with obtaining physician clearance (e.g., medical exam and/or tests) prior to
participation in physical activity/exercise. Students complete a Pre-Activity Screening Questionnaire (PASQ) based on American College of Sports Medicine guidelines to determine if physician clearance is needed.

h. Assignments in some classes (e.g., printing/binding of group project reports, academic and professional portfolio, etc.)

4. Receive a grade of C- or higher in all required courses and maintain a 2.5 GPA (overall and in major) in order to progress to the next semester.

5. Complete 10 hours of volunteer community service for a non-profit health care organization.

**Physical Education and Exercise Science Faculty**

**Director:** S. Sanders; **Professors:** J. Eickhoff-Shemek, F.N. Faucette, S. Sanders, M. J. Stewart, C.D. Ashley; **Associate Professor:** M. Kilpatrick; **Assistant Professors:** B. Campbell, S. Haichun, Lisa Hansen, Sara Flory.

**Department of Psychological and Social Foundations of Education**

The Department of Psychological and Social Foundations of Education does not offer a specific undergraduate major or degree program, but provides courses for all students majoring in the wide array of undergraduate programs available in the College of Education. These courses contribute to the students’ understanding of the general education enterprises and are considered foundational to later professional specialization. Consequently, these courses should be taken early in the professional program, typically in the junior year. In addition, the department offers an undergraduate minor in Educational Foundations and Research.

COLLEGE OF EDUCATION

UNIVERSITY OF SOUTH FLORIDA 2013-2014 UNDERGRADUATE CATALOG

EDF 4909 Directed Study: Educational Foundations 1-3
EDF 5607 Trends in Education Politics 3

The Counselor Education program offers undergraduate courses focusing on human services skill development, decision-making and personal growth. Course content contributes to student success in academic and personal endeavors and may serve to orient students to post-graduate work in human services fields.

MHS 4052 Human Relations Skills in Counseling 3
MHS 4905 Independent Study: Guidance and Counseling Education 1-4
SDS 4040 Introduction to Student Personnel Work in Higher Education 2

Requirements for the Minor in Educational Foundations and Research (EFR)

Minimum of 18 hours

Required Courses:

EDF 3514 History of Education in the U.S. 3
EEX 4742 Narrative Perspectives on Exceptionality 3
EDF 4490 Studies in Research Design 3

Other Specifications:

EDF 3604 Schools and Society or SYO 4250 Sociology of Education 3
DEP 4005 Developmental Psychology or DEP 3103 Child Psychology 3
EDF 3122 Learning and the Developing Child or EDF 3214 Human Development and Learning or EDF 4111 Child Growth and Learning 3

No minimum GPA average, but all course grades must be C or above.

Psychological and Social Foundations Faculty

Department of Special Education

The Department of Special Education prepares teachers to work with children who have emotional and behavioral disabilities, intellectual disabilities and specific learning disabilities. The undergraduate program is a state-approved program that leads to certification in Exceptional Student Education (ESE).

Students are required to meet University and College of Education entrance requirements prior to enrollment in the Department. Upon admission, students affiliate with the campus on which they wish to take their program of studies. Students may not register for courses on other campuses without permission. For USF Tampa, students are assigned to cohorts. All courses are taken with the assigned cohort. The program sequence includes four semesters of part-time field experience and one semester of full-time internship. All part-time field experiences must be successfully completed as a member of a cohort concurrently enrolled in linked specified courses in designated local schools. Final internships are assigned only to designated school districts where partnerships exist. Field experiences begin during the first semester of a student’s enrollment with increasing involvement throughout the program. Students are responsible for providing transportation to their field-experience sites. Cohorts are seated in the fall semester of each year. Students must complete all required courses with a grade of C or better and successfully complete program key assessments in order to progress to the next semester.

Please be advised that program and/or course requirements are subject to change, per state legislative mandates, Florida State Department of Education program approval standards, and accreditation criteria.

- EXCEPTIONAL CHILD EDUCATION with ESOL & Reading Endorsement (CIP = 13.1001)

The College of Education offers a full ESOL Endorsement for all Special Education major graduates. The special requirements for ESOL endorsement through infusion are as follows: Successful completion of (1) FLE 4317 and FLE 4316 with a minimum grade of 70% or better on part one and part two of the ESOL Comprehensive Exam administered in the two ESOL courses; (2) a 20-hour early ESOL field experience in FLE 4317; (3) a late ESOL field experience where students plan, implement, and evaluate lessons for one or more ESOL students over a 10 days; and (4) an ESOL binder, containing all ESOL-related assignments taken in the College of Education and an ESOL-performance Standards Checklist that documents the completion of the necessary number of standards.

The special education requirements for the Reading Endorsement through infusion are as follows: (1) completion of specialized courses with a grade of C or S; (2) completion of RED4511, RED4310, and LAE4314 with a grade of C; (3) a 60 hour field experience with a grade of S where students demonstrate application of all reading competencies,
and (4) a Reading Endorsement binder containing the Demonstration of Accomplishment Documentation Form and supporting artifacts.

Prerequisites (State Mandated Common Prerequisites)
These prerequisites must be met by transfer students as well as USF students. A grade of "C-" is the minimum acceptable grade.

- EDF X005 Introduction to the Teaching Profession 3
- EDF X085* Teaching Diversity for Educators 3
- EME X040 Introduction to Technology for Educators 3

*In addition to EDF X085, a minimum of 6 semester hours with an international or diversity focus is required. Eligible courses will be determined by the community college or university where the student is currently earning the Associate in Arts or baccalaureate degree. Foreign language courses may be used to meet this requirement.

Completion of Foundations of Knowledge and Learning Core Curriculum requirements (General Education):
Foundations of Knowledge and Learning Core Curriculum courses (General Education) will be determined by the Florida College System institution or university where the student currently is earning the Associate in Arts or baccalaureate degree, and will be published in the institution’s existing catalog or in the Counseling Manual. (For USF, see “Academic Policies and Procedures - Foundations of Knowledge and Learning Core Curriculum Requirements” section of the catalog.)

Professional Education Core (27 credit hours):
The required courses in the professional education core are as follows:

- EEX 4941 Practicum in ESE  
  Level 1 (1 hour); Level 2 (1 hour); Level 3 (1 hour); Level 4 (1 hour)
- EDF 3122 Learning and the Developing Child 3
- EDF 3604 Social Foundations of Education (Exit) 3
- EDF 4430 Measurement for Teachers 3
- FLE 4316 Language Principles and Acquisition 3
- FLE 4317 Teaching LEP Students K-12 3
- EEX 4944 Internship: Exceptional Student Education 3

Area of Specialization

Exceptional Student Education
Students seeking the B.S. degree with certification in Exceptional Student Education are required to take the following courses:

- EEX 4202 Exceptional Education Core Competencies: Context and Foundations
- EEX 4240 Exceptional Education Core Competencies: Beginning to Teach
- EEX 4241 Exceptional Education Core Competencies: Creating Effective Learning Environments
- EEX 4242 Exceptional Education Core Competencies: Enhancing Expertise in Teaching and Instructional Decision Making
- EEX 4244 Exceptional Education Core Competencies: Becoming a Special Education Teacher
- EEX 4742 Narrative Perspectives on Exceptionality: Cultural and Ethical Issues (Exit)
- LAE 4314 Teaching Writing
- MAE 4310 Teaching Elementary School Mathematics I
- RED 4310 Early Literacy Learning
- RED 4511 Linking Literature Assessment to Instruction

Special Education Faculty
Student Organizations and Activities

Alliance of Health and Fitness Professionals (AHFP) - The Alliance of Health and Fitness Professionals (AHFP) is an official USF student organization designed to provide exercise science majors with a variety of professional development and leadership experiences. Activities include preparing for certifications in the field, attending professional conferences, participating in volunteer community projects and programs, and coordinating many local educational and social events. Each year, the organization plans an annual awards banquet to recognize graduating seniors.

Association of Physical Education College Students (APECS) - The Association of Physical Education College Students (APECS) is open to all students enrolled in the K-12 Physical Education Program. Social and professional meetings are conducted throughout the year. Professional service to the community is also provided by the association.

Kappa Delta Pi (KDP) - Kappa Delta Pi (KDP) is an international honor society in Education, and the Lambda Tau chapter has been on the USF campus for over 44 years. The purpose is to promote excellence in education and recognize scholarship, leadership, and service. KDP is the only College of Education honor organization that represents all educators regardless of subject area specialty, degree obtained, grade-level focus, or years of teaching experience. Undergraduate student applicants must have a minimum overall grade point average of 3.0 and 12 semester hours of education courses. MAT students must have a minimum overall grade point average of 3.25 and 12 semester of education courses. For more information regarding Kappa Delta Pi please visit http://www.kdp.org.

Living-Learning Community (eduCARE) - Students interested in the College of Education upon admission have the opportunity to live on-campus in a living learning community: a theme-based, academically centered residence hall. As a member of eduCARE, the College of Education’s living learning community, students will have the opportunity to live amongst peers who share an appreciation for education. Students in eduCARE will enjoy academic support, guided career exploration, integrated social experiences, and opportunities designed to enhance their leadership development. For more information, students should visit www.coedu.usf.edu.

Student Council for Exceptional Children (SCEC) - The Student Council for Exceptional Children (SCEC) is an organization open to students from across the university who appreciate the diversity present in our schools and society and are interested in the education of children and young adults with exceptionalities. Activities of the USF Chapter include a variety of service projects, as well as support of the COEDU Children’s Festival, Special Olympics, and field trips to various special education facilities, opportunities to hear prominent speakers, attend seminars, visit state and national conferences, and participate in social events. All interested students are invited to join.

SunCoast Area Teacher Training (SCATT) - The SunCoast Area Teacher Training (SCATT) Honors Program is an award-winning teacher training program designed to enhance the outstanding teacher preparation programs offered within the USF College of Education. Its mission is to enhance the teaching profession by establishing high performance expectations for all members and offering research-based learning experiences that support exceptional instruction, community service, leadership development, and encourage reflective practice. Visit our website at http://scatt.coedu.usf.edu/ for additional information.
