PROGRAM : INDUSTRIAL-TECHNICAL EDUCATION

LIMITED ACCESS PROGRAM: YES—THIS PROGRAM HAS ADDITIONAL ADMISSION REQUIREMENTS AS STATED BELOW.

CAMPUS(ES) WHERE OFFERED/CONTACT:
TAMPA / Program Director, Undergraduate Advising, Education, (813) 974-2458  
ST. PETERSBURG (Partial) / Advisor, Education, (813) 893-9533

• Program of Study at a Florida Community/Junior College or SUS School for Students Planning to Transfer to USF (State Mandated Common Prerequisites)
  Complete the A.A. degree at the community college. Some courses required for the major may also meet General Education Requirements thereby transferring maximum hours to the university. A minimum of 60 semester hours must be completed at the university unless prior approval is secured.
  If students transfer without an A.A. degree and have fewer than 60 semester hours of acceptable credit, they must meet the university’s entering freshman requirements including ACT or SAT test scores, GPA, and course requirements.
  Students must complete the prerequisite courses listed below prior to be admitted to the upper-division major. Students who do not complete these prerequisites can be admitted to the University, but not to the upper-division major. Unless stated otherwise, a grade of “C” is the minimum acceptable grade.

  EDF 1005 Introduction to Education  
  EDG 2701 Teaching Diverse Populations  
  EME 2040 Introduction to Educational Technology  
  (Equivalent course or demonstrated competency may be substituted)

  An additional 15 semester hours should be completed in a Vocational Specialty Area. At least one course taken to meet the natural science requirements in General Education must include a laboratory component.

• Admission Requirements to the University Program of Study
  Please be aware of the immunization, foreign language, and continuous enrollment policies of the university, and qualitative standards required.
  Admission will require an overall GPA of 2.5 with a minimum score of 960 on the SAT (840 if taken before April 1, 1995) or 20 on the ACT. However, an overall 2.25 GPA will be acceptable with a minimum score of 1030 on the SAT (940 if taken before April 1, 1995) or 22 on the ACT. Official grade forgiveness will be used as appropriate. Students must have passed all sections of CLAST. Professional education courses taken at the community college will transfer as general electives.

• Requirements for the B.S. Degree
  Enrollment in the Industrial-Technical Education program is restricted to persons with employment experiences qualifying them to teach Industrial, Technical, Health Occupations, or Public Service.
  Special provision is made for students to satisfy four (4) of the required six (6) years of work experience in a specific occupation by completing an Associate in Science degree program in a technological specialty or successfully completing an appropriate occupational competency exam. Acceptability of work experience will be determined by the program advisor.
  Students may validate up to 30 semester hours of credit through the Occupational Competency Testing Program, or appropriate licensure or certificate.

  Professional Education Core (25-29 credit hours)
  The required courses in the professional education core are as follows:*

  EDF 3214 Human Development and Learning (3)  
  EDF 3604 Social Foundations of Education (3)
